

UNITED STATES COURT OF APPEALS FOR VETERANS CLAIMS

COMMITTEE ON ADMISSION AND PRACTICE

The Court's Rules of Admission and Practice, Rule 2(a), provide that the Chief Judge, with the concurrence of the Court, will appoint members of the Court's bar to serve as a Committee on Admission and Practice, and designate one member as the Chair. Each member is appointed for a three-year term. We currently have a vacancy on the Committee, which is chaired by Kenneth A. Walsh, Esq. (Misc. No. 20-11, November 29, 2011), and may have additional vacant positions in the near future.

The Court is accepting letters of interest from members of the Court's bar who would like to serve on the Court's Committee on Admission and Practice. The Court is also interested in receiving nominations for service on the Committee.

The Committee on Admission and Practice has a significant set of responsibilities concerning grievances filed against attorneys and other practitioners who appear before the Court. Specifically, the Committee performs investigations, holds hearings, and makes recommendations to the Court, and is actively engaged throughout the course of the year. The Court appreciates the diligent work contributed by this Committee's members.

Please direct your expressions of interest and nominations by letter to the Clerk of the Court:

Gregory O. Block
Clerk of the Court
United States Court of Appeals for Veterans Claims
625 Indiana Avenue, NW, Suite 900

Letters of interest and nominations will be accepted until the vacancies are filled.
